Innovative Ministry in Brazil

In the Mission of the Month for December, we featured the ministry of Antenor and Phyllis Goncalves in Itu, Brazil. This month, we continue the focus on Brazil with a look at the ministry of their daughter, Ali Kaiser, and her husband, Mark.

Mark and Ali work with the youth of the Itu church and are also utilizing several innovative programs to reach the lost in Brazil. They have established an active ministry to the homeless in their city of Itu. The Crescimento Limpo (Clean Growth) ministry consists of a halfway house for people trying to overcome addictions and a garden which uses an aquaponics system to produce vegetables to sell in the community. The garden provides a place for the CL residents to work, and a newly-built kitchen on the garden property has expanded their opportunities for outreach by providing a place to host a variety of activities such as a weekly breakfast, pie kitchen, and youth events. For more information and links to their ministry, go to the GCOC website (www.granburycoc.net) and click on Ministries, then Missions.

On a more personal note, the Kaisers recently announced that they are expecting their first child. In the coming weeks and months, let's be praying for a healthy pregnancy and delivery, as well as a fruitful ministry in the Lord.
