Fall/Winter

Thanks for an amazing 2016!

Rocha news

We want to thank each one of you for the significant role you hold in our life. As we review the last few months of the year, we praise the Lord for his ever faithfulness each and every day.

Highlights:

1. Brazil; Jamie, Bonnie and Abigail all assisted the CCC woman retreat in Cadbury, Brazil. It has been in the past one of Jamie's favorite retreats to attend. She came back renewed and equipped in spiritual disciplines.

2. Marriage seminar ended this year with a retreat with Rodney Roberts and Bill Tracy. They counseled with couples that they have seen for as long as 3 years in a row and others that were new. In total they counseled with all together. We also did something different this year and had a marriage retreat in Oaxtepec, Morelos. We had a seminar on Sexuality and marriage. It was a very blessed time and like always enriching.

3. Posada (Christmas Party) with the Church family is always a hit. We all share a meal and celebrate together before everyone goes their separate ways for the Holidays.

4. Girls sleep over with Jamie, had fun decorating cookies, devotional and movie watching.

5. Special time connecting with friends and family during the Holidays. Family gatherings, going to the theater, gatherings with friends, entertaining at our house with missionaries and brothers and most of all giving thanks for His purpose, love, and mission he has given each one of us.
