Thank You

To all my friends and relatives who sent me notes, texts, cards, calls and visits while I was in the hospital. I thank you for your thoughtfulness. Your love and prayers meant more than you can imagine. God is good; He answered the prayers. Please continue to keep me in your prayers that I don't have this problem again, as I understand this can happen from now on (this was my 3rd bout with a collapsed lung). Thank you again for your love. s/ Barbara Adams
